### **8. SNC PROPERTY**

Seller shall clearly mark, maintain an inventory of, and keep segregated or identifiable all SNC property and all property to which SNC acquires an interest by virtue of the Agreement. Except for ordinary wear and tear, Seller assumes all risk of loss, destruction, or damage to such property while in Seller's possession, custody, or control, and will not use such property other than in performance of the Agreement without Buyer's written consent. Upon request, Seller shall provide Buyer with adequate proof of insurance against such risk of loss. Seller will notify Buyer if SNC property is lost, damaged, or destroyed. As directed by Buyer, upon completion, termination, or cancellation of the Agreement, Seller shall deliver such property, to the extent not incorporated in delivered end products, to SNC in good condition subject to ordinary wear and tear and normal manufacturing losses. At the request of Buyer, Seller shall execute any documents, including but not limited to financial statements, required by SNC to protect its interest in this property.

### **9. USE OF SNC EQUIPMENT AND SYSTEMS**

Seller agrees that unless authorized in writing by SNC it will use only SNC provided IT equipment and systems for performance of Services under this Agreement. To the extent non-SNC IT equipment and systems are used for the performance of Services under this Agreement, the Seller certifies that access to SNC's data and systems will be limited to US Persons (22 CFR 120.15) and US servers and IT equipment and systems housing SNC's data meets cyber security requirements outlined within the Defense Federal Acquisition Regulation Supplement (DFARS) clauses 252.204-7008 (Compliance with Safeguarding Covered Defense Information Controls), 252.204-7012 (Safeguarding Covered Defense Information and Cyber Incident Reporting)/NIST SP 800-171 (Security Requirements). The Parties expect that SNC may authorize the use of non-SNC IT equipment and systems if no SNC data or information is contained or accessed therein and Seller is working on pre-existing Seller Intellectual Property. Any approval for the use of non-SNC IT requirement and systems must be first approved by the SNC Security Review Board. Seller shall not copy or otherwise transfer any SNC data or information to non-SNC IT equipment or systems.

Seller Personnel shall not connect any of their IT equipment or systems to SNC's equipment or systems, make unauthorized adaptations to SNC's equipment or systems without written authorization by the Program Manager or SNC Technical Representative. Seller and Seller Personnel shall take all reasonable precautions in accordance with best industry practice to avoid introducing any viruses into SNC's IT equipment or systems or otherwise corrupting SNC's data. Seller Personnel shall not knowingly tamper with, compromise or circumvent any security or audit measures employed by SNC. Seller and Seller Personnel shall not use SNC's IT equipment and systems for anything other than the provision of Services under this Agreement. Seller shall indemnify SNC for all losses incurred by SNC arising out of Seller or Seller Personnel's failure to comply with its obligations related to security stated in this Agreement or any deliberate or negligent act or omission of Seller Personnel that introduces a virus into SNC's IT equipment or systems or corrupts SNC's data.

US Persons are defined as: US Citizens, lawful permanent residents as defined by the US Citizenship and Immigration Services and/or ITAR protected individuals as defined by 8 USC §1324b(a)(3). The Seller and SNC anticipate that such written authorization may be granted for individuals providing software development services on behalf of Seller for deliverables that are not exclusive to SNC, made to pre-existing Seller Intellectual Property, do not require access to SNC IT equipment or systems, and do not require access to ITAR or EAR controlled information.

### 12. PAYMENT

Seller's fees in connection with the Goods and/or Services shall be set forth in any applicable Purchase Order and/or Statement of Work and shall be paid in accordance with such Statement of Work and this Agreement. If applicable to the Goods and/or Services to be provided and specifically indicated in the Purchase Order and/or any Statement of Work, SNC shall reimburse Seller in accordance with such Purchase Order and/or Statement of Work for actual and reasonable expenses incurred.

#### (a) T&M Orders

The amounts due to Seller hereunder will be paid upon the submission of monthly invoices in accordance with the payment terms specified within the Purchase Order. Invoices shall include Seller's certification to the effect that the amount contained therein is correct and just, and payment for the amount claimed has not been received previously or covered by a prior invoice.

- (1) Labor – The total labor amount shall be computed by multiplying the appropriate hourly rate or rates, as set forth in the Agreement, by the number of direct labor hours performed. Hourly rates shall be fully burdened and shall include wages, overhead, general and administrative expense and profit. Fractional parts of an hour shall be payable on a prorated basis. Unless otherwise specified, the hourly rate or rates shall not be varied by virtue of Seller having performed work on an overtime basis. No overtime shall be performed without Buyer's written authorization.
- (2) Materials– Seller will only submit invoices for the actual costs of materials. Reasonable and allocable material handling costs may be included in the charge for material costs to the extent they are clearly excluded from the hourly rate. SNC will not pay profit or fee on material costs. Seller shall be reimbursed for items and services purchased directly for this Agreement only when cash, checks or other forms of actual payment have been made for such purchased items or services.
- (3) It is estimated that the total cost to SNC for the performance of this Agreement will not exceed the price set forth in the Purchase Order. Seller agrees to use its best efforts to perform the work specified in the Agreement and all obligations under this Agreement within the Purchase Order price. If at any time during the performance of this Agreement, Seller has reason to believe that the costs which will accrue in the performance of this Agreement in the next thirty (30) days when added to all other payments and costs previously accrued, will exceed eighty-five percent (85%) of the Purchase Order price, Seller shall notify Buyer in writing to that effect giving a revised estimate of the total price for performance of this Agreement including supporting reasons and documentation.
- (4) SNC shall not be obligated to pay Seller any amount in excess of the Purchase Order price, and the Seller shall not be obligated to continue performance, if to do so would exceed the Purchase Order price. Invoices received after 180 days of Goods/Services received will be at Buyer's sole discretion for payment.
- (5) At any time or times prior to final payment, SNC may audit the invoices or vouchers and substantiating material as shall be deemed necessary. Each payment made shall be subject to reduction to the extent of amounts which are found by SNC not to have been properly payable, and shall also be subject to reduction for overpayments, or to increase for underpayments, on preceding invoices or vouchers.
- (6) All claims for monies due or to become due from SNC shall be subject to deduction by Buyer for any set off or counterclaim arising out of this or any other of Buyer's Purchase Orders with Seller whether such set off or counterclaim arose before or after any such claim or assignment by Seller.

#### b) Fixed Price Orders

Unless specifically set forth in Seller's proposal or quote and accepted by SNC, the stated contract price shall include all charges for labor, packing, shipping, hauling, storage, and transportation to the point of delivery. No separate or additional charges for these items will be accepted.

Unless otherwise authorized by Buyer, Seller shall not issue an invoice prior to the actual delivery date of Goods or Services. For Goods, Seller shall forward to SNC, with the invoice, receipt or Bill of Lading signed by the carrier, evidencing the fact that shipment has been made. Payment due dates, including discount periods, shall be calculated from the date of the later of the scheduled delivery date, the actual delivery date, or the date of receipt of a corrected invoice. The cash discount period to SNC, if any, will date from the later of (1) the receipt of a compliant invoice (not from date of the invoice) (2) the actual date of acceptance of the Goods or Services, or, (3) the delivery date specified in the Order. Unless freight and other charges are itemized, any discount shall be taken on the full amount of the invoice. Invoices shall be supported by such documents in such form as Buyer requests and shall bear such certification as may be required by law, regulations or the Purchase Order.

All payments are contingent on acceptance of the Goods or Services by SNC. For Goods, Seller shall issue separate invoices for each shipment showing the amount of material shipped. Payment shall not constitute acceptance of the Goods. Payment shall be deemed to have been made on the date SNC's check is mailed or payment is otherwise tendered. Seller shall promptly repay SNC any amounts paid in excess of amount due Seller.

### 13. INVOICE

Seller represents and warrants that:

- (a) Services provided under this Agreement are provided with a standard of care that is at, or above, the prevailing standard in the industry.
- (b) Goods provided under this Agreement are merchantable and fit for use. The Seller also warrants that the Goods will conform to any specifications set forth in this Agreement and/or accompanying documents. Seller agrees to replace or to correct promptly without expense to SNC, including transportation and handling costs, any Goods not conforming to the foregoing requirements when notified by Buyer during a period of twelve (12) months after the Goods are placed in service or within twenty-four (24) months of when the Goods are delivered to SNC, whichever is earlier. If Seller, upon notice of any defect, fails promptly to correct or replace Goods as required herein, Buyer may, without further notice, correct or replace such Goods and Seller agrees to reimburse SNC for all costs incurred thereby. Goods that have been rejected, shall not thereafter be tendered for acceptance unless the former rejection and correction is identified and approved by the Buyer. Repaired or replacement Goods shall be subject to the provisions of this article to the same extent as the original. All warranties shall then run from the latter delivery date. Seller shall obtain from its suppliers, subcontractors, and vendors sufficient warranties to ensure that the entire Goods, as delivered to SNC, is covered by a warranty that complies with the terms of this Agreement.
- (c) Software provided under this Purchase Order does not contain any viruses or other computer programming routines or defects that are intended to damage, detrimentally interfere with or expropriate any system, data, or information.

The requirements of this provision are in addition to any warranties required or implied by law.

### 15. PROPRIETARY INFORMATION

In the event SNC and Seller have entered into a Non-Disclosure (Proprietary Information) Agreement (NDA/PIA) for the Purpose which the Purchase Order has been issued against and that NDA/PIA remains in effect, the NDA/PIA shall govern the treatment of proprietary information. If no NDA has been executed or if an NDA has expired, the following terms shall govern proprietary information exchanged between the parties:

SNC and Seller anticipate that under the Agreement it may be necessary for either to disclose to the other information of a proprietary nature. Proprietary information that may be disclosed under this Agreement includes, but is not limited to, drawings, specifications, non-public product information, and other technical capabilities. Proprietary information shall be clearly identified by the disclosing party at the time of disclosure. All written proprietary information shall be marked as proprietary prior to disclosure.

Each of the parties agrees to use the same reasonable efforts to protect such information as is used to protect its own proprietary information, but in no case less than reasonable care. Disclosures of such information shall be restricted to those individuals who have a need to know and are directly participating in efforts related to the Agreement.

Neither party shall make any reproduction, disclosure, or use of such proprietary information except as follows:

- (a) Such information furnished by Buyer may be used by Seller in performing its obligations under the Agreement.
- (b) Such information furnished by Seller may be used by Buyer in performing its obligations under the Agreement.

- (c) Such information may also be used in accordance with any written authorization received from the disclosing party.

The limitations on reproduction, disclosure, or use of proprietary information shall not apply to, and neither party shall be liable for, reproduction, disclosure, or use of proprietary information with respect to any of the following conditions:

- (d) If, prior to the receipt thereof under the Agreement, the information has been developed independently by the party receiving it, or was lawfully known to the party receiving it, or has been lawfully received from other sources, including the Government (provided such other source did not receive it due to a breach of this clause) or was in the public domain prior to disclosure hereunder.
- (e) If, subsequent to receipt thereof under the Agreement, (i) the information is published by the party furnishing it or is disclosed by the party furnishing it to others without restriction; or (ii) it has been lawfully obtained by the party receiving it from other sources, including the Government, provided such other source did not receive it due to a breach of this clause; or (iii) if such information otherwise comes within the public knowledge or becomes generally known to the public.
- (f) If any part of the proprietary information has been or hereafter shall be disclosed in a United States patent issued to the party furnishing the proprietary information hereunder, then, after the issuance of said patent, the limitations on such proprietary information as disclosed in the patent shall be only that afforded by United States patent laws.
- (g) If the proprietary information is furnished orally, unless such proprietary information was identified as proprietary at the time of disclosure and reduced to writing and marked proprietary within fifteen (15) days of original disclosure and such writing is forwarded to the receiving party and actually received within fifteen (15) days of original disclosure.
- (h) If such proprietary information is obligated to be disclosed under order of a court of competent jurisdiction so long as prompt notice of the order is given to the other party.
- (i) If such proprietary information is disclosed with the written approval of the originating party.

The furnishing of any proprietary information by either party shall not be construed as granting to the other party either expressly, by implication, estoppel, or otherwise, any ownership or license right (other than the limited license to use the information internally for the purpose for which it was provided) under any invention, patent, trade secret, trademark, or copyright now or hereafter owned or controlled by the party furnishing same. The foregoing shall not impact any license or ownership right in information identified and set forth elsewhere in this document.

Seller shall upon Buyer's request or upon completion of this Agreement, whichever occurs first, promptly at its option: (1) destroy all proprietary information furnished in connection with the Agreement and certify such destruction; or (2) return all proprietary information furnished in connection with the Agreement, together with all copies or reprints then in Seller's possession and control, and Seller shall thereafter make no further use of nor disclose to others any such data or documents or any information derived therefrom without Buyer's prior written consent.

### 16. INTELLECTUAL PROPERTY INDEMNITY

The Seller shall indemnify SNC and its officers, employees and agents against liability, including costs, for actual or alleged direct or contributory infringement of, or inducement to infringe, any United States or foreign intellectual property rights, including patent rights, trademark rights, and copyright, arising out of the performance of this Agreement, provided the Seller is reasonably notified of such claims and proceedings.

### 17. INTELLECTUAL PROPERTY

If this Agreement is for the development of copyrights (specifically including images), patents, trade secrets, technical data, or other intellectual property ("Intellectual Property"), Seller hereby assigns to SNC all rights in, title to, and ownership of Intellectual Property that is created, conceived, or first reduced to practice under this Agreement. Seller further warrants that it will obtain such rights and title, on SNC's behalf, from all employees or subcontractors in a way that facilitates Seller's transfer of such rights and title to SNC or SNC's assigns.

If this Agreement is not for the development of Intellectual Property, Seller shall retain ownership of all Intellectual Property related to the performance of this Agreement

If any Intellectual Property or other data is delivered to SNC as part of the performance of this Agreement to which SNC will not receive ownership, the Seller hereby grants to SNC a perpetual, irrevocable, sublicensable, transferrable, worldwide, royalty-free license to SNC to make use of the Intellectual Property or other data in any way that SNC sees fit.

**SNC-Provided Intellectual Property:** Any intellectual property, technical data, or other information owned by or provided by SNC to Seller under this Agreement shall remain the exclusive property of SNC. Seller shall treat this SNC-provided or

If there is no Non-Disclosure Agreement or Agreement provision concerning proprietary information, Seller shall receive a limited, nonexclusive, revocable, non-transferrable, non-sublicensable license to this SNC-provided or SNC-owned intellectual property, technical data, and other information only for the period of performance of the Agreement and only permitting the intellectual property, technical data, and other information to be used to perform this Agreement.

**SNC Name, Trademarks, and Images:** For the sake of clarity, Seller has no right to use outside of performance of this Agreement any Intellectual Property which SNC owns or receives ownership under this provision; this specifically includes SNC images and trademarks. Nothing in this Agreement permits Seller to use publically or with any third parties SNC's name, trademarks or Buyer-owned images. Seller can only receive the right to use such names, trademarks, or images through a separate Agreement with SNC. If Seller receives such a right to use SNC names, trademarks, or images, such use must be consistent with SNC's usage guidelines, which will be provided if and when Seller is permitted to use SNC names, trademarks, or images.

**Transfers of Pre-Existing Seller Intellectual Property:** Seller agrees that if, in the course of performing the Services, Seller incorporates Seller's pre-existing intellectual property that consists of software code that it may only be transferred to SNC IT equipment or networks after review through an SNC or SNC approved third-party software verification for risk to SNC systems per instance. This will occur through the process below until otherwise informed in writing by Program Manager or SNC Technical representative supporting the applicable deliverable.

- i. When the pre-existing Intellectual Property is source code, Seller shall submit an SNC IT Ticket request through the SNC standard system. Ticket guidance can be provided by the SNC resource managing the scope to use the applicable pre-existing Intellectual Property. In some cases the SNC resource may submit the request for the Seller resource. Seller shall not transfer such pre-existing Intellectual Property until such SNC IT Ticket is approved.
- ii. When the pre-existing Intellectual Property is compiled code or application (if Seller is not willing to provide the source) Seller resource shall submit a SNC IT Ticket request for a cyber-review request through the SNC standard system. Ticket guidance can be provided by the SNC resource managing the scope to use the applicable Intellectual Property. In some cases the SNC resource may submit the request for the Seller resource. Seller shall not transfer such pre-existing Intellectual Property until such SNC IT Ticket is approved.

**Return/Destruction of SNC IP:** Seller shall upon Buyer's request or upon completion of this Agreement, whichever occurs first, promptly at its option: (1) destroy all SNC proprietary and/or non-public information furnished in connection with the Agreement and certify such destruction; or (2) return all SNC proprietary and/or non-public information furnished in connection with the Agreement, together with all copies, reprints, or electronically stored proprietary and/or non-public information then in Seller's possession and control, and Seller shall thereafter make no further use of nor disclose to others any such data or documents or any information derived therefrom without Buyer's prior written consent.

### 18. CHANGES

Changes in the terms and conditions of this Agreement may be made only by written agreement of the Parties. Buyer may from time to time in writing direct changes within the general scope of this Agreement. If any such change causes an increase or decrease in the cost of or the time required for performance of this Agreement, an equitable adjustment in the price(s) and schedule(s) of the Purchase Order shall be made to reflect such increase or decrease and this Agreement shall be modified in writing accordingly. Unless otherwise agreed in writing, any Seller claim for adjustment must be delivered to SNC in writing within thirty (30) days after Seller receipt of such direction. Failure of Buyer and Seller to agree upon any adjustment shall not excuse Seller from performing in accordance with such direction. If Seller considers that SNC conduct has constituted a change hereunder, Seller shall notify Buyer immediately in writing as to the nature of such conduct and its effect upon Seller's performance. Pending direction from Buyer, Seller shall take no action to implement any such change.

### 19. NOTICE AND DESIGNATION OF RESPONSIBLE INDIVIDUALS

In the event of such termination, Seller shall immediately stop all terminated work hereunder and shall immediately cause any and all of its suppliers and subcontractors to cease work. Subject to the terms of this Agreement, Seller shall be paid a percentage of the contract price reflecting the percentage of the work performed prior to the notice of termination, plus reasonable charges Seller can demonstrate to the satisfaction of SNC using its standard record keeping system, have resulted from the termination. Seller shall not be paid for any work performed or costs incurred that reasonably could have been avoided.

Notwithstanding the above, in the event SNC is purchasing Goods that have not been customized or otherwise modified for SNC, SNC will only pay Seller a reasonable and mutually agreed restocking fee for the termination of such work.

- (2) **Termination for Cause.** SNC may terminate this Agreement, or any part hereof, for cause in the event of any default by Seller, or if Seller fails to comply with any terms and conditions, or fails to provide SNC, upon request, with adequate assurances of future performance. In the event of termination for cause, SNC shall not be liable to Seller for any amount for supplies or services not accepted, and Seller shall be liable to SNC for any and all rights and remedies provided by law. If it is determined that SNC improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

### 22. FACILITIES

It is anticipated that the nature of Seller's Services will be accomplished independent of any use of SNC facilities. Entry to SNC facilities by Seller shall require SNC authorization.

### 23. RELATIONSHIP OF THE PARTIES

- (1) **Independent Contractor.** Seller, in performance of this Agreement, is acting as an independent contractor and not as an employee or agent of SNC and neither Seller, nor any employee, subcontractor, agent or representative of Seller (the "Seller Parties"), shall be considered an employee or agent of SNC within the meaning or the application of any Federal, State or local laws or regulations. Seller shall be solely responsible for the payment of (i) compensation to all Seller Parties, and (ii) any associated taxes assessed by any relevant taxing authority. Any Permitted Subcontract entered into by Seller shall not relieve Seller of its obligations under this Agreement

### 24. NON-SOLICITATION

### **25. INSURANCE**

Seller, its subcontractors, and lower-tier subcontractors, agree to procure and maintain worker's compensation, comprehensive general liability, bodily injury, property damage insurance and professional liability, if applicable, in reasonable amounts that are consistent with industry practice and the specific loss potential related to performance of this Agreement, and such other insurance as SNC may require. Seller shall provide Buyer with a "Certificate of Insurance" evidencing Seller's compliance with this provision. Seller shall name SNC as an additional insured for the duration of the Agreement. ### **28. ASSIGNMENT**

Neither performance of this Agreement, nor any interest herein, nor any claim hereunder, may be assigned or delegated by Seller without the prior written consent of SNC. SNC's consent shall not be deemed to relieve Seller of its obligations to comply fully with the requirements hereof.

### **29. EXPORT COMPLIANCE**

The parties shall mutually agree upon the individual who shall act as arbitrator. If the parties are unable to agree upon a neutral arbitrator, a list of potential arbitrators (no more than 10) shall be obtained by SNC from the American Arbitration Association. A party may apply to the arbitrator for injunctive relief until an arbitration award is rendered or the dispute is otherwise resolved. A party also may, without waiving any other remedy, seek from any court having jurisdiction any interim or provisional relief that is necessary to protect the rights or property of that party pending the arbitrator's appointment or decision on the merits of the dispute.
